

ONTARIO AMPUTEE AND LES AUTRES SPORTS ASSOCIATION (OALASA)
Quest for Gold – Ontario Athlete Assistance Program 2008-2009
ATHLETE SELECTION CRITERIA

Quest for Gold – Ontario Athlete Assistance Program 2008-2009 (OAAP) is funded by the Government of Ontario, through the Ministry of Health Promotion (MHP), and operated through the Sport and Recreation Branch. The overarching goal of the *Quest for Gold* – OAAP is directly related to the Enhanced Excellence goals of both *ACTIVE2010* and the *Canadian Sport Policy* – to improve the performance and number of Ontario athletes performing at the national and international level; thereby contributing to the improved performance of Canada at international competitions. Specific objectives of the program are:

- a) To help athletes continue their pursuit of athletic excellence at the highest levels of national and international competition;
- b) To encourage athletes to stay in Ontario to live and train;
- c) To compensate athletes for earnings lost while training;
- d) To enable athletes to successfully pursue excellence in sport while fulfilling their educational goals;
- e) To increase athlete access to improved high performance coaching; and
- f) To enhance training and competitive opportunities available to athletes.

The program will provide direct financial assistance to Ontario junior-aged athletes through an “Ontario Card” designation. “Junior-aged athlete” is defined as those athletes who fall within the eligible age range for the Canada Games - 11 to 22 years of age. (Consideration will be given to older junior-aged athletes if a PSO/MSO’s NSO-approved Long Term Athlete Development model (LTAD) identifies older athletes in the “Train to Train” and “Train to Compete” categories). The intent of the OAAP is to provide funding to individual athletes based on their demonstrated commitment to high performance sport, allowing them to pursue athletic excellence at the highest levels of national and international competition.

How does it work?

In accordance with the OAAP guidelines, the Ontario Amputee and Les Autres Sports Association is responsible for developing sport specific selection criteria and forming a Selection Committee that will apply the criteria to select those athletes who will be awarded Ontario Card status in 2008-2009. The Selection Criteria is approved by the Board of Directors and reviewed by MHP staff. Nominated athletes will be required to sign an Athlete Agreement between the athlete and Ontario Amputee and Les Autres Sports Association. Carding status will be for one year starting April 1, 2008 ending March 31, 2009.

In 2008-2009, the Ministry of Health Promotion allocated a certain amount of OAAP Ontario Cards to each eligible Provincial Sport / Multi-Sport Organization (PSO/MSO). The Ontario Amputee and Les Autres Sports Association has been allotted a total of 4 Ontario cards (split evenly as 2 male and 2 Female Cards).

A minimum of 70% of the Ontario cards will be allocated to what the Ministry of Health Promotion defines as junior-aged athletes (11 to 22 years of age). A maximum of 30% of the Ontario cards may be allocated to athletes no longer eligible for “junior athlete” status, (athletes 23 and over).

As a result, the 4 cards issued to Ontario Amputee and Les Autres Sports Association will be allocated as follows:

	Male	Female
Full Cards – 4	2	2

In accordance with the OAAP guidelines Ontario Amputee and Les Autres Sports Association is responsible for forming a Selection Committee and sport specific selection criteria to nominate the athletes for Ontario carding status in 2008-2009. This selection criteria has been approved by the Ontario Amputee Sports Association Board of Directors.

The Selection Committee is comprised of the following members:

Alan Dean – Technical Officer, Ontario Amputee and Les Autres Sports Association (OALASA)
Archie Watts – Treasurer, Canadian Amputee Sports Association (CASA)
Yvonne Hiney - Director, Ontario Amputee and Les Autres Sports Association (OALASA)

How much funding is available?

The exact level of funding for the 2008-2009 carding year will be determined by the Ministry after the total number of athletes nominated for Ontario Card status has been determined. Funding will be released prior to March 31, 2009.

How will the Ontario Amputee and Les Autres Sports Association Selection Committee decide who receives funding?

The Ontario Amputee and Les Autres Sports Association Selection Committee will use both the Ministry of Health Promotion Eligibility Criteria and the Sport Specific selection criteria detailed below to determine which athletes will be nominated by the Ontario Amputee and Les Autres Sports Association for Ontario Card status in 2008-2009:

Ministry of Health Promotion Eligibility Criteria:

All athletes must also meet the Ministry of Health Promotion's minimum athlete eligibility criteria:

The athlete will submit written documentation to their PSO/MSO's Selection Committee clearly indicating how they meet these exceptions. The Ministry may require that the athlete provide supporting documentation from the athlete's PSO/ NSO, National Sport Organization (NSO) or other sources to verify reasons for athlete's absence from the Province of Ontario.
